

"How to Sell Your Home for TOP DOLLAR Even Without A Real Estate Agent"

If You Can Pass This Quiz, You'll Get A Fast, Top Dollar Home Sale. If You Can't, You're In Trouble, and Need This Free Money-Saving Advice...

Dear [[Name]]...

- Do you have a bona fide buyer under contract *right now* for your home?
- Has your buyer given you *written* loan approval (not just "qualified") so they don't tie you up and cost you thousands of dollars?
- Have you hired a lawyer or real estate agent to handle the purchase contract so you don't end up getting ripped-off because you used one of those "*office supply store*" home contracts?
- Did you register *everyone* visiting your home (with address and phone number) so you don't become a victim of crime?
- Do you have at least 25 qualified visitors to your home every week?
- Do you know national statistics prove your chances of selling your home using classified ads and open houses is slim to none?
- Did you have a home inspection performed by a licensed inspector *before* putting it on the market?
- Did you know that 89% of *For Sale By Owner* homeowners end up *losing much more money* than if they had hired a real estate professional?

If you answered YES to all the questions above, congratulations. Your home should sell quickly, and hassle-free.

But What If You Answered "NO"?

If you answered NO to any of the questions above, it's probable: 1) You could take a long, long time to sell your home, 2) Lose more money than you ever imagined – in ways you never expected, 3) Potentially become a victim of crime, 3) Get abused by an unscrupulous buyer who will "*nickel-and-dime*" you until he gets his price – at YOUR expense, 4) "Net" much less from your home than if you had used "the right" real estate professional in the first place.
